

Membership Fees

Valid from 1st January 2017

APPLICATION FEES

A non-refundable application fee is payable by all new applicants, i.e. those who are not already in CIBSE membership. If you are transferring from one grade of membership to another, you will not need to send an application fee.

INTERVIEW FEES

The interview fee is payable with the application form if your application is for the Member and Associate grades. New members applying for the Fellow grade are required to submit an interview fee. Members applying for the Licentiate Grade via the Alternative Route are also required to submit an interview fee.

SUBSCRIPTION FEES

All subscription fees run on an annual basis from 1st January to 31st December each year. Fees are not dependent on date of joining and therefore not prorated.

Fees due when applying or upgrading your membership

The subscription fee and where applicable Engineering Council (EngC) Registration entry fee, application fee and interview fee, must be submitted with your application.

The first year's subscription fee, application fee and EngC Interim Registration fee (if applicable) must be paid when applying for the following grades: Affiliate, Student (Part Time) and Graduate.

The subscription fee and EngC Registration Entry fee (if applicable) when applying for Fellow, Member, Associate, Licentiate and Companion will be taken when your membership is confirmed by CIBSE. If you have already paid the annual subscription fee for another grade, the difference between this rate and the new grade rate is payable at this stage.

HOW TO PAY

Direct Debit Payments

A discounted annual subscription is available to existing members who opt to pay by Direct Debit. Please note that members must hold a UK bank account to pay by direct debit.
